

NEW YORK STATE SENATOR

John J. Bonacic

Senator John Bonacic Attends National Night Out Against Crime in Port Jervis

JOHN J. BONACIC August 6, 2014

| ISSUE: **CRIME**

Senator Bonacic attended the National Night Out Against Crime in Port Jervis. The weather held out long enough for a great community turnout. The message of the evening was to stand united in protecting our communities by reporting crimes to the police. Residents were asked to keep their porch lights on last night in as a demonstration of unity in the fight against crime. All around it was a great event.
