Senator Nozzolio announces 2014 "Share The Finger Lakes" Photo Competition Winners!

MICHAEL F. NOZZOLIO August 13, 2014

In an effort to promote the natural beauty of the greater Finger Lakes region and support the tourism industry, the 2014 "Share the Finger Lakes" photo competition was held inviting constituents of the 54th Senate District to share their favorite Finger Lakes photos on my facebook page throughout the month of July. Congratulations Bill Little of Newark! Bill's Sodus Point Lighthouse photograph taken during a windstorm received the most "likes" on facebook.
