Senator DeFrancisco Participates in the New York 4-H United Healthcare "Pedal Power" Event

JOHN A. DEFANCISCO August 21, 2014

State Senator John A. DeFrancisco is pictured pedaling a specially-made stationary bike equipped with a blender to make fruit and vegetable smoothies -- at the New York State Fairgrounds on August 21, 2014. The initiative is the result of a partnership between 4-H Youth Development and United Healthcare to teach individuals and families about the importance of healthy eating and regular exercise.
