

NEW YORK STATE SENATOR

John J. Bonacic

Touring the Fleurchem Manufacturing Plant, Middletown

JOHN J. BONACIC August 26, 2014

| ISSUE: **ECONOMIC DEVELOPMENT**

Senator Bonacic receives an updated tour of the 200,000 square facility of Middletown's Fleurchem Manufacturing Plant. Founded in 1984, this plant is a leading global manufacturer of supplier of ingredients for flavors, fragrances, foods, beverages and personal care products.
