John Williams School #5 Grand Re-Opening

JOSEPH E. ROBACH August 28, 2014

| ISSUE: **EDUCATION**

I was pleased to join Mayor Warren, Superintendent Vargas and other City of Rochester and Rochester City School District Officials in celebrating the Grand Re-Opening of John Williams School #5. This transformation and remodeling will provide a better learning environment for School #5 students and teachers, all in a state of the art facility. Congratulations and welcome back John Williams School #5!
