Macedon- Senator Mike Nozzolio recently addressed members of the Wounded Warriors in Action Foundation to support their efforts to send three veterans to the 5th annual Upland NY Bird Hunt and Couples Retreat in Lyons, New York. The event features world-class outdoor sporting activities as a way to recognize and honor members of our military for their sacrifice and commitment to our Nation. The retreat promotes healing and wellness through camaraderie and a shared passion for the outdoors. The three veterans are all recipients of

the Purple Heart and have suffered traumatic injuries while serving in Iraq and Afghanistan.
