Senator Bonacic took part in the dedication ceremonies for the Town of Wallkill's new \$1 million recreation center at Circleville Park. This center was paid for with town money and replaces an aged facility. It includes 7,000 square feet of recreation space and 3,000 square feet of office space and will offer after-school programs managed by the Boys and Girls Club of Wallkill. "This is what good government can do," says the Senator. "Congratulations to everyone in the Town of Wallkill for this center that will give back to the community for many years to come."
