(Dobbs Ferry - September 23rd) The Embassy Community Center located in Dobbs Ferry kicked off the Fall season with a "Back-to-School" Party to introduce seniors to upcoming fall classes and special seminars. Various senior groups including Dr. United, Pace Woman's Justice, Mercy College, Westchester Jewish Family Service, among others came to the party to share information about what's going on in their organizations this season. The Senator took part in the kickoff by greeting seniors and learned one of her 89 year-old constituents is getting married to a childhood sweetheart.
