

NEW YORK STATE SENATOR

Joseph E. Robach

Dedication of Andrew Langston Way

I was honored to join my good friend Andre Marcel and the 103.9 WDKX family at the dedication of Andrew Langston Way at the Midtown Rising site in Downtown Rochester. Mr. Langston was a visionary and pioneer, starting his own radio station to connect with the community. Today, his legacy lives on through the work of Andre and everyone at WDKX and now, with the naming of this road in Downtown Rochester.
