Ground Breaking at Stadium Estates Apartments

JOSEPH E. ROBACH October 7, 2014

| ISSUE: **HOUSING, CONSTRUCTION, COMMUNITY DEVELOPMENT**

I recently joined officials from the City of Rochester and New York State to help break ground on the Stadium Estates Apartments. Located in the JOSANA Neighborhood near Sahlen's Stadium, this project consists of 45 rental units and will be supported by the Charles Settlement House. This is a great development for the JOSANA Neighborhood and the City of Rochester.
