| ISSUE: **EDUCATION**

Senator Bonacic presented remarks at the kickoff of the Ulster BOCES instructional partnership with NASA's HUNCH program on Wednesday, October 15, 2014. This is a program where students receive hands-on, real-world experience with NASA scientists and engineers. The idea is to inspire the next generation of researchers and space explorers, and the Senator stated that educational investments such as this will help all of us learn more about space.
