| ISSUE: **SUNY (STATE UNIVERSITY OF NEW YORK), HIGHER EDUCATION**

I joined officials from Empire State College to break ground on their new, state of the art campus in Brighton. This facility will serve the Genesee Valley region, and will offer a variety of undergraduate and graduate degree programs. I attend the Empire State College graduation every year, it doesn't take long to realize what a positive impact this institution has on its students. This new facility will better serve them, providing a more friendly learning environment.
