

NEW YORK STATE SENATOR

Joseph E. Robach

Welcome to College Town!

JOSEPH E. ROBACH October 17, 2014

| ISSUE: **ECONOMIC DEVELOPMENT, HOUSING, HIGHER EDUCATION, COMMUNITY DEVELOPMENT**

The University of Rochester celebrated a historic day today with the opening of College Town on Mount Hope Avenue. This mixed use development will not only benefit UR students and faculty, it will be a retail and dining destination for people from all over our region. College Town provides that small town college feeling in the City of Rochester and will be a major economic engine for our community.
