Howard Beach, NY (August 22, 2014) – Frank Pedulla and the Music Staff Swing Orchestra once again flawlessly performed the tunes of the beloved Arnold ‘Arnie Mig’ Migliaccio in our greatest Memorial Concert yet. My deepest thanks to the hundreds of people who filed into St. Helen’s Church to listen to the music of yesteryear and reflect on old times. I thank St. Helen’s for once again hosting us, Brady and Marshak, Esqs. for their partnership in putting on the concert and Resorts World Casino for being a co-sponsor.
