Addabbo Attends Federazione Italo Americana Di Brooklyn and Queens Feast

JOSEPH P. ADDABBO JR September 12, 2014

Glendale, NY (September 12, 2014) – “I was lucky enough to feast with the men and women of the Federazione Italo Americana Di Brooklyn and Queens in a celebration they hosted along Fresh Pond Road. Not only does this group live and love the Italian tradition, but they remind us to do the same,” **said State Senator Joseph Addabbo, Jr.** “However, the Federazione Italo not only support each other, they work for the neighborhood as a whole, as was shown when I was able to present one member with a Community Service Award. I look forward to many more events with these people.”
