

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

HRCA Press Conference & Community Rally

ANDREA STEWART-COUSINS November 17, 2014

(Yonkers - November 15th) Senator Stewart-Cousins at a protest outside 382 Warburton Avenue in Yonkers with members of the Hudson River Community Association. A former grocery store location, which has been vacant for over 20 years, is a site considered by Family Dollar for a new store. The Senator and other protesters think that this neighborhood and location could be better served and want the Yonkers Zoning Board and our local elected officials to know their position.
