## Seasonal Bar Crawls

**BRAD HOYLMAN** December 3, 2014

On December 4, I wrote to State Liquor Authority (SLA) Chairman Dennis Rosen, asking him and the Authority to take a proactive approach to seasonal bar crawls. As our community knows, bar crawls often end with heavily intoxicated individuals, who disrespect our neighborhoods. I urged the SLA to remind participating establishments of all applicable rules, regulations and laws in order to avoid disturbing neighbors during the holiday season.
