Isaac Heating & Air Conditioning Opens New Headquarters

JOSEPH E. ROBACH January 29, 2015

| ISSUE: **SMALL BUSINESS**

I was pleased to help Isaac Heating & Air Conditioning open its new headquarters on Holleder Parkway in the City of Rochester. This 70,000 square foot facility will better accommodate the Isaac employees, and allow them to better serve their customers. Congratulations to everyone at Isaac Heating & Air Conditioning, I wish you continued success!
