ADDABBO ATTENDS SCHOLARS ACADEMY CAREER FAIR IN THE ROCKAWAYS

JOSEPH P. ADDABBO JR January 30, 2015

| ISSUE: **EDUCATION**

"I was able to attend the career fair at the Scholars Academy in the Rockaways and speak to high school students about both my occupation as well as their interests and goals. Visiting the schools in my district and reaching out to our youth is very important to me, and in the spirit of Career Day it's vital they are exposed to a variety of employments paths. Principal Brian O'Connell and his staff did a great job in arranging the event and I thank them for inviting me," said **State Senator Joseph Addabbo, Jr.**
