

NEW YORK STATE SENATOR

George Amedore

SENATOR AMEDORE SPEAKS TO YOUTHBUILD ADVOCATES

GEORGE A. AMEDORE, JR. March 17, 2015

Senator Amedore is proud to support YouthBuild, who traveled to Albany on March 12th to advocate for their organization -- they focus on educating our young people, training them for real-world employment, and emphasizing the importance of giving back to those less fortunate and contributing productively to the community.
