Senator Felder Bringing EITC Petitions to the New York State Assembly

SIMCHA FELDER March 24, 2015

| ISSUE: **EDUCATION**

| COMMITTEE: **NEW YORK CITY EDUCATION**

Today, Senator Felder, who has been fighting tirelessly for the needs of New York's tuition paying parents personally brought thousands of petitions in support of the Education Investment Tax Credit to both the Governor and New York State Assembly. These petitions were sent in by tuition paying parents throughout the State of New York as part of Senator Felder's efforts to ensure that the Assembly and Governor keep their promise and include EITC in the 2015-2016 budget.
