Senator Bonacic met with an impressive group of young Orange County students from the Leptondale School today, who were visiting Albany on a field trip. As part of the trip, the children and their chaperones took a tour of the New York State Museum, where they learned more about the history of the State.

Pictured with Senator Bonacic are (L-R, back row) Joseph Coleman and chaperones Keri Brewer and Courtney Canfield-Greene. The students in the front row are 4th graders from the Leptondale School.
