Bonacic Attends Annual Pulaski Fire Company Pancake Breakfast

JOHN J. BONACIC March 30, 2015

Senator Bonacic was pleased to attend the annual Pulaski Fire Company's pancake breakfast in Pine Island, NY this past Sunday. Not only does the Pulaski Fire Company do a tremendous job in serving their community, they also do a great job serving up a delicious breakfast. The event was an opportunity for neighbors to come out and enjoy a tasty meal while supporting the men and women of the fire company.
