

NEW YORK STATE SENATOR

Joseph E. Robach

Federal Legislation to Bolster Manufacturing

JOSEPH E. ROBACH April 17, 2015

| ISSUE: **JOBS & EMPLOYMENT**

I was pleased to join U.S. Senator Kirsten Gillibrand at RIT as she announced new federal legislation that would designate "manufacturing universities" to help strengthen engineering programs and bolster manufacturing in America. Our region, with our skilled workforce, and RIT could benefit from the passage of this legislation.
