Senator Bonacic was pleased to join friends and neighbors at the Orange Regional Medical Center (ORMC) Foundation's Annual Donor Reception held at The Fountains at Wallkill Golf Club in the Town of Wallkill on April 23. The annual reception is held every year as a way to celebrate those who have contributed financial resources to help make ORMC a state of the art medical facility, and an economic driver for the Hudson Valley region.

Pictured L-R are, Lou Heimbach, former Orange County Executive, Scott Batulis, President and CEO of the Greater Hudson Valley Health System, Senator Bonacic, and Darrell Supak, Vice President of the Greater Hudson Valley Health System Board of Directors.
