

NEW YORK STATE SENATOR

John J. Bonacic

BONACIC ATTENDS GROUND BREAKING AT PILLER USA, INC'S NEW FACILITY IN THE TOWN OF WALLKILL

JOHN J. BONACIC April 24, 2015

| ISSUE: **ECONOMIC DEVELOPMENT, SMALL BUSINESS, CONSTRUCTION**

Senator Bonacic joined local business leaders and elected officials this morning for a chilly, but enthusiastic ground breaking ceremony for Piller USA, Inc's new facility in the Town of Wallkill. Currently, Piller operates a facility in the Town, but this new location will help better serve the needs of their customers and the employees of the company. Piller is a global electric equipment manufacturer, and the Town of Wallkill is their only location in the United States.

Pictured L-R are, Senator Bonacic, Will Langley a Principal of Piller USA, Inc, Dean Richards, President and CEO of Piller USA, Inc., and Dan Depew, Town of Wallkill Supervisor
