Greenpoint Community Environmental Fund Has \$5,250,000 Available For Greenpoint What's YOUR Idea For Spending It?

Department of
Environmental
Conservation

The **Greenpoint Community Environmental Fund** has \$5,250,000 available for environmental improvement programs in Greenpoint. They would like to hear from you about how to spend it.

If you have a good idea for improving Greenpoint's environment, the Greenpoint Community Environmental Fund (GCEF) is offering a great opportunity to turn that idea into reality. Attend an upcoming workshop to learn about GCEF grants and network with Greenpointers with similar interests.

Upcoming workshops are scheduled for May 14 and May 21, 6 p.m. to 8 p.m. Both events will be held at the Dupont Street Senior Center. 80 Dupont St., Greenpoint 11222.
