| ISSUE: **SEAFORD COMMUNITY, CELL PHONES FOR SOLDIERS**

New York State Senator Michael Venditto, (R, C, I- Massapequa), on Armed Forces Day, held a Cell Phones for Soldiers donation program at the Seaford Train Station. Even in the rain, over 60 cars drive up and drop off old, unwanted cell phones that will provide cost-free communication services to active-duty military members and veterans. Thanks to everyone who donated!
