| ISSUE: **PARAMEDICS**

Senator Bonacic attended and delivered remarks at the annual Emergency Medical Services Memorial Dedication Ceremony in Albany today. Bonacic was joined by members of the legislature, honored guests, and EMS professionals from around the state to pay respect to the men and women who keep us safe in our communities. This year, the names of Ross E. Huffer of the Nesconsent Fire Department and Andre M. Maurice of the Richmondville EMS were added to the memorial wall. Both paramedics were killed in the line of duty in 2014.
