**HAPPY  
PASSOVER!**

**FROM:  
SENATOR ANDREA STEWART-COUSINS**

?As we approach, Passover I would like to wish all who will be observing this holiday a Chag Pesach Sameach. Passover celebrates the exodus of millions of people from slavery to freedom teaching us to better appreciate the things we may take for granted and to recommit ourselves to aiding those that are less fortunate. Wishing you joy and many blessings at Pesach and throughout the year!"
