

NEW YORK STATE SENATOR

Joseph E. Robach

New Pavilion at the Greece Town Campus

JOSEPH E. ROBACH May 29, 2015

I was pleased to work with Greece Town Supervisor Bill Reilich and the Greece Town Board to secure funding for a new entertainment pavilion at the Greece Town Campus. This beautiful new pavilion will host a variety of events, from concerts and senior dances, to special event services and ceremonies. This is another great addition to the Greece community and another great amenity for its residents.
