Hibernians Collect Cell Phones for Soldiers

PHIL BOYLE July 6, 2015

The Ancient Order of Hibernians Division 2 Junior Girls for organized a Cell Phone for Soldiers drive at the Babylon Hibernian Hall. They collected a full box of cell phones which will be donated, so that those serving overseas will be able to contact home. Sentor Boyle was happy to start Independence Day weekend by accepting this gift on behalf of those who guarantee our freedom every day!
