Senator Jesse Hamilton, colleagues, ed advocates, and parents endorse vision for new middle school in Prospect Heights

JESSE HAMILTON July 7, 2015

I am proud to stand with colleagues, community groups, and parents in supporting M.S. OneBrooklyn. Glad to join with NYC Public Advocate Tish James, NYC Council Member Laurie Cumbo, Assembly Member Walter Mosley and Assembly Member Jo Anne Simon, this morning at PS9. Together we can create a great new district public school.
