My sincere thanks to the members of the Greece Rotary Club, Dave Pye and MCA Studios, Geena Cruz, the Scott Spino Foundation and everyone who donated to my annual Back to School backpack and school supply drive this year. We had a great response this year, these donations will go a long way in helping needy children in our area. All items have been donated to the WDKX Back to School rally, the Greece Ecumenical Clothes Closet and a variety of other small, civic organizations in our community.
