Badge of Honor Association Memorial Dedication

JOSEPH E. ROBACH September 16, 2015

| ISSUE: **POLICE**

I was proud to join members of the Badge of Honor Association, Sheriff's Office Association of Retirees and local law enforcement officials earlier today to dedicate memorial plaques in honor of three local fallen law enforcement officers. Deputies James Conheady, John Pullano and Harold Knitter all died while on duty, and will forever be remembered for their service and sacrifice by these memorial signs.
