Yom Kippur: May you be inscribed and sealed for a good, prosperous and healthy year.

JESSE HAMILTON September 22, 2015

I wish everyone observing Yom Kippur an easy fast. May you be inscribed and sealed for a good, prosperous and healthy year.

Yom Kippur, the Jewish Day of Atonement, offers an opportunity to reflect on where we might have steered wrong in the past year and to commit to make positive changes along a better path in the year to come. A critical lesson for people of every faith tradition.
