New York State Senator Michael Venditto, (R, C, I- Massapequa) had the opportunity to host a Veterans Appreciation Breakfast for all Veterans in the Eighth Senate District.

"It was a very special day to honor each and every one of them for their selfless courage and sacrifices for defending our freedom here and abroad. America is a beacon of hope for those throughout the world because of the freedoms its citizens enjoy. Those freedoms only exist because of the men and women who fought to protect them throughout our history. Every

American veteran deserves our respect, gratitude, and appreciation for their service," said Senator Venditto.
