

NEW YORK STATE SENATOR

Jesse Hamilton

At PS 169 in Sunset Park, Informing Parents of New Resources for Parents of English Language Learners

JESSE HAMILTON September 30, 2015

Thanks to the Community Education Council for District 15 and all our partners for organizing this event at PS 169 last night - helping to keep parents informed about resource available in our community. Also, we were able to give back to school supplies to 80 families!
