SENATOR BONACIC ATTENDS THE ELLENVILLE REGIONAL HOSPITAL FOUNDATION ANNUAL GALA

JOHN J. BONACIC October 8, 2015

Senator Bonacic attended the Ellenville Hospital Foundation Annual Gala last past Saturday evening at the White Wolf Restaurant and Lounge in Napanoch. The annual event celebrates those who volunteer their time, and financial resources to help make the Ellenville Regional Hospital a premier health facility in the region. Honored at the event was the Ellenville Hospital Auxiliary. Auxiliary members support the mission of the hospital by raising funds through community events, and operating the hospital gift shop.
