A graphic titled "HURRICANE SAFETY TIPS" in large blue letters. Below the title, it says "Important Hurricane Preparedness Considerations" and "NY Alert" in red. On the left side of the graphic is a portrait of Senator John J. Bonacic. Below the title, there is a paragraph of text: "It is important that you learn about your community's emergency plan, warning signals, evacuation routes and locations of emergency shelters." At the bottom, it says "Identify potential home hazards and know how to".

Important Hurricane Preparedness Considerations

NY Alert

It is important that you learn about your community's emergency plan, warning signals, evacuation routes and locations of emergency shelters.

Identify potential home hazards and know how to

I have put together a Hurricane Safety Checklist for you and your family which can be found below. This brochure contains important telephone numbers and a list of

things that will help you construct a hurricane preparedness kit. You can find many of these items in your home already. Although this is a general hurricane kit list, you should keep in mind any of your family's particular needs as you prepare.

Please also don't forget to sign-up for NY-Alert <https://users.nyalert.gov> to receive immediate alerts on flood warnings and severe storms.

Don't wait until the last minute to get ready. Start planning now!
