206,000 Pounds of Electronics Recycled at September Event

MICHAEL H. RANZENHOFER November 4, 2015

| ISSUE: **GOING GREEN**

Clarence, NY - Senator Ranzenhofer's Free Drop-Off Event in September recycled 206,000 pounds of electronics on September 26th. More than 1,700 residents participated in the five-hour program. Senator Ranzenhofer is committed to promoting green practices with a positive impact on our environment. The event was held in conjunction with Time Warner Cable and Sunnking Electronics.
