New York State Senator Michael Venditto (R, C, I- Massapequa), recently held a free prostate screening for his constituents at the North Merrick Public Library with IMF Cares. Prostate cancer is the second leading cause of death in men. The American Cancer Society estimates 221,000 new cases of prostate cancer to be diagnosed in 2015 with almost 28,000 succumbing to the disease. Early detection of prostate cancer saves lives.
