Senator Jack M. Martins (R-7th Senate District) recently visited Floral Park-Bellerose Elementary School to take part in the school's student elections assembly. The assembly gave each student running for the school's student council the opportunity to speak with their classmates about why they are running and to ask for their vote.

Senator Martins spoke to the student body about the importance of voting and congratulated each of the candidates for having the courage to run and the willingness to serve the school.

Senator Martins is pictured speaking with each of the candidates for Floral Park-Bellerose School's student council and the current class officers.
