

2015-J3510

LEGISLATIVE RESOLUTION memorializing Governor Andrew M. Cuomo to proclaim February 21 - 27, 2016, as Eating Disorders Awareness Week in the State of New York

WHEREAS, It is the custom of this Legislative Body to recognize official weeks that are set aside to increase awareness of serious illnesses that affect the lives of citizens of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its long-standing traditions, this Legislative Body is justly proud to memorialize Governor Andrew M. Cuomo to proclaim February 21-27, 2016, as Eating Disorders Awareness Week in the State of New York, in conjunction with the observance of National Eating Disorders (NED) Awareness Week; and
WHEREAS, The 2016 Theme of NEDAwareness Week is "3 Minutes can save a life", focusing on the importance of early intervention by encouraging online screening; and

WHEREAS, In the United States, 20 million women and 10 million men suffer from clinically significant eating disorders at some time in their life; these disorders affect people across all racial and ethnic backgrounds and include anorexia nervosa, bulimia nervosa and binge eating disorder; and

WHEREAS, The National Eating Disorders Association, which calls New York State its home, strives to address the many misconceptions regarding eating disorders, and to highlight the availability of resources for treatment and support; and

WHEREAS, NEDAwareness Week is a collaborative effort consisting primarily of volunteers, including eating disorder professionals, health care providers, students, educators, social workers, and individuals committed to raising awareness of the dangers surrounding eating disorders and the need for early intervention and treatment; and

WHEREAS, Eating disorders usually appear in adolescence and are associated with substantial psychological problems, including depression, substance abuse and suicide; they are serious illnesses, not lifestyle choices; in fact, anorexia has the highest mortality rate of any mental illness; and

WHEREAS, Many cases of eating disorders go undetected; less than one-third of youth with eating disorders will receive treatment; although primarily affecting females, one in every three to four individuals with these illnesses is male; and

WHEREAS, Eating disorders experts have found that prompt intensive treatment significantly improves the chances of recovery; therefore, it is important for educators, medical providers, parents, and community members to be aware of the warning signs and the symptoms of eating disorders; and

WHEREAS, NEDAwareness Week will highlight the fact that body size and shape are strongly influenced by biological factors, while also calling attention to some of the new discoveries surrounding the role of genetics in the development of eating disorders; and

WHEREAS, Concerned individuals are asked to talk with others during NEDAwareness Week, in hopes that their participation will raise awareness that eating disorders are a serious illness, provide accurate information to the medical, educational and business communities, and direct people to potentially lifesaving information and resources; and

WHEREAS, In 2004, New York State took a leading role in the fight against eating disorders by establishing an integrated network of Comprehensive Care Centers for Eating Disorders which provide evidence-based treatment to those afflicted; and

WHEREAS, This Legislative Body recognizes the vital work of NEDAwareness Week in promoting public and media attention to the seriousness of eating disorders and for working to improve education about their biological and environmental causes, as well as how to help those who

are struggling with this debilitating disease; now, therefore, be it
RESOLVED, That this Legislative Body pause in its deliberations to
memorialize Governor Andrew M. Cuomo to proclaim February 21-27, 2016,
as Eating Disorders Awareness Week in the State of New York; and be it
further

RESOLVED, That copies of this Resolution, suitably engrossed, be tran-
smitted to The Honorable Andrew M. Cuomo, Governor of the State of New
York; the National Eating Disorders Association; and the Northeastern,
Metropolitan and Western New York Comprehensive Care Centers for Eating
Disorders.
