

NEW YORK STATE SENATOR

Jesse Hamilton

A shared passion for education

JESSE HAMILTON January 28, 2016

| ISSUE: **EDUCATION**

I had the honor of meeting [2015 *Daily News* Hometown Hero in Education awardee Scott Krivitsky](#) yesterday to discuss how to create a learning pipeline from elementary school through high school to career success. I look forward to collaborating on integrating technology into education across Brooklyn, from Coney Island to Brownsville. His passion for learning is contagious!
