

NEW YORK STATE SENATOR

Thomas F. O'Mara

Application process underway for 76West Clean Energy competition to attract clean-energy entrepreneurs to locate, create jobs in the Southern Tier ~ Find out more ~ Application deadline is March 15, 2016

THOMAS F. O'MARA February 5, 2016

| ISSUE: **CLEAN ENERGY**

| COMMITTEE: **ENVIRONMENTAL CONSERVATION**

State officials have announced the start of the **76West Clean Energy competition**, an effort established as part of the 2015-16 state budget to provide \$20 million to attract clean-energy entrepreneurs to locate and create jobs within the 11-county Southern Tier region, which

includes Chemung, Schuyler, Steuben and Tompkins counties within Senator O'Mara's 58th Senate District.

Read the full announcement, including details on the application process, on the New York State Energy and Research Development Authority website, www.nyserda.ny.gov.

The application deadline is March 15, 2016.
