| ISSUE: **COMMUNITY EVENTS, YOUTH, EDUCATION**

Thanks to everyone who made this event possible!

Thanks to colleagues NYS Senator Roxanne Persaud, NYS Assembly Member Nick Perry, and Brooklyn Borough President Eric L. Adams, as well as community partners Blue 1647, Brookdale University Hospital and Medical Center, Codesters, Code Brooklyn, Con Edison, Cablevision, CAMBA, Golden Krust Bakery, the Mac Support Store Brooklyn, Microsoft, and Tropical Paradise Restaurant of East Flatbush.

Student participants had a blast and it was a pleasure helping present new skills and, further down the line, career opportunities. Stay tuned for future Youth Tech Challenges in Brooklyn and around New York State!
