Senator Serrano Supports CUNY Funding

JOSE M. SERRANO March 2, 2016

| ISSUE: **CUNY (CITY UNIVERSITY OF NEW YORK)**

Senator Serrano continues to advocate for CUNY funding in the state budget. He recently wrote a letter advocating for an increase in funding for CUNY schools. CUNY currently has the largest enrollment in history, 275,000 degree seeking students and an equal number of adult and continuation students. CUNY has 45,000 employees who have been without a contract for 5 or 6 years. In order to keep educating the future generations of graduates, Senator Serrano is fighting to ensure we invest in the talent that teaches and supports an institution that serves so many New Yorkers.
