Demand Respect for Tenants' Rights

JESSE HAMILTON March 10, 2016

| ISSUE: **HOUSING, TENANTS' RIGHTS, AFFORDABLE HOUSING**

This morning, standing with Crown Heights Tenants Union, I had a chance to express my strong support for tenants' rights. Every tenant deserves safe, livable housing, freedom from harassment and freedom from abuse of a landlord, and to have their rights upheld and protected by the authorities. We must keep up the fight to protect tenants from abuses.
