BRONX, NY – State Senator Jeff Klein (D-Bronx/Westchester) held his 21st Annual Bunny Breakfast at Villa Barone Manor on Saturday.

Hundreds of Bronx children and families enjoyed the Easter extravaganza, which began with a delicious complimentary breakfast. Pete the Magician then amazed both the children and parents with his spectacular tricks and even incorporated live bunny rabbits and birds

into his performance. After the magic show, the excitement continued as children created their own Easter bunnies at the “build-a-bunny” stations.

Guests danced to pop music throughout the celebration and received elaborate balloon animals as well as face painting. The Easter Bunny made a special appearance, and families had the opportunity to take holiday photos.

“My Annual Bunny Breakfast has become a long-standing tradition - one that I am proud to carry out for our community year after year. These are the kinds of memories that families will cherish for a long time, and I cannot think of a better way to spend the Easter season than with family, friends, and of course the Easter Bunny. Every year I look forward to hosting this memorable event for the community, and I look forward to a visit from the Easter Bunny next year!” **said Senator Jeff Klein.**
